

Celestial White Shepherds is pleased to announce that
UKC Grand Champion Von Taz Born to Win
from Von Tasz White Shepherds has been bred to
UKC Grand Champion Hallmark's Evenstar of Rivendell
Arwen had 4 girls and 2 boys
DOB: Dec 31st, 2011

We are expecting happy, alert pups with good drive, high performance aptitude and herding instinct. Each pup will be ready to become a devoted family member and partner and to be trained in performance, herding and/or other working venues! Show prospects and wonderful pets and companions, too!

Both parents are UKC Grand Champions, Best in Show, Reserve Best in Show winners, Therapy Dogs, Herding Trial Titles and Herding Instinct Certified and have passed a myriad of health clearances. Arwen & Ramsey both have pure white coats, very dark eyes and good pigment.

Looking for a herding pup? You will likely not be able to find another White Shepherd that has been as successful in competitive herding as Arwen. This happy, fun-loving girl has followed in her Grand-dam Luna's paw steps as an active sheep/duck herder with multiple trial titles including High In Trial honors and High Scoring White Shepherd. Arwen has earned her UKC Grand Champion and Reserve Best In Show wins. Arwen sports OFA Excellent hips among her many health clearances and is a Seizure Alert Dog; a true Service Dog!

Ramsey has a fun loving temperament. Much like his daddy Hugo Ramsey is very easy going, always smiling, and loves to carry toys around. He has very nice bone substance and is structurally strong. He has beautiful movement and masculinity. He has multiple conformation show honors, including UKC Grand Champion, AWSA and WSCC Champion. He has earned Top Ten spots in UKC and AWSA. Ramsey also has a multiple of health clearances.
